Medical Consultations. All the team members are trained and registered health workers.

Sina is a very compassionate doctor. Even though not every patient was cured, they all left with a smile having experienced some of God's love for them.

Visiting a place for the first time always draws a crowd...

Several hundred gather in Olinda to hear what the visitors have to say....

What a great opportunity to share the gospel...

More than 300 people heard the gospel in Mitange.

Jesus said,
**“Let the little children
come to me**

and do not hinder them, for the kingdom of heaven
belongs to such as these.”

Matthew 19:14

These Brazilian sisters, Noemi and Reijani, have a big heart for children...

...teaching them that God loves them all...

...and some new games!

**GLORY be to GOD
and THANKS to our DONORS and PARTNERS
who enable us to bring hope and relief
to the least reached communities in
Southern Africa.**
